Mr. Armand Lamberti
Principal

November 22, 2016

Dear Parents/Guardians:

As the days grow colder, the chance for inclement weather conditions increases. To that end, please note the following information in the event of inclement weather.

If school is going to be closed, or there is to be a delayed opening (a 10 a.m. student arrival) due to the weather, you can find out as follows:

- Information will be posted on the Holy Spirit School Website: www.holyspiritunionnj.org.
- News 12 New Jersey
- News 4 New York
- School Messenger Phone Call

I suggest that your first option be to check the website. An effort will always be made to have any inclement weather information posted on the website well in advance of the start of a regular school day. A School Messenger call will also be made; however, it is still uncertain that everyone is receiving the calls as some of you have not updated your information. With that, I requested email information from all parents/guardians earlier in the school year. We are still missing about 30% of parent guardian email addresses. When we have email addresses of ALL parents/guardians of the students we serve, I will not have to bother you with phone calls all the time. Anyone who has yet to receive a School Messenger call from me, or who has yet to forward an email address should contact HSS's technology integration specialist - Mr. Paul Hirsch - by email at phirsch@holyspiritunionnj.org. Your email must include your full name; the full name(s) of your child(ren)/grade level(s); the email address you wish to be contacted at; the phone number you wish to be contacted at. I suggest that everyone should submit a cell number to us as eventually I would like to test the venue of sending group text messages to parents/guardians as well.

As always, thank you for your your support.

God bless,

Armand Lamberti
