Armand Lamberti, Principal

November 27, 2019

Dear Parents/Guardians:

As the days grow colder, the chances for inclement weather conditions increase. To that end, please note the following information in the event of inclement weather. If school is going to be closed or if there is to be a delayed opening (a 10 a.m. student arrival) due to inclement weather, you can find out as follows:

- Information will be posted on the Holy Spirit School Website: www.holyspiritunionnj.org.
- News 12 New Jersey
- News 4 New York
- School Messenger Phone Call
- Email
- Remind Text

I suggest that your first option be to check the website. An effort will always be made to have any inclement weather information posted on the website well in advance of the start of a regular school day. A School Messenger call, email, and Remind text will also be forwarded. It is hopeful that everyone receives messages via those communication means as well. Anyone who has yet to receive a School Messenger call, email, or Remind text from the school should contact Holy Spirit School's technology integration specialist – Mr. Paul Hirsch – by email at phirsch@holyspiritunionnj.org. Your email must include your full name; the full name(s) of your child(ren)/grade level(s); the email address at which you wish to be contacted; and the phone number at which you wish to be contacted.

Thank you for your support!

God bless,

Armand Lamberti
